WE NEED YOUR HELP - PLEASE PROMOTE US to educational establishments, as they and not students, should pay the voluntary £2 contribution, worth up to £200 a student. In September 2018, Epcot Career Solutions will commence a national marketing campaign, targeting 4 million students & graduates in the UK. We anticipate generating £1+ million from educational establishments and students via a voluntary contribution of **£2 per student**, resulting in **FREE access to 12 professional Interview and Career Development videos worth £60** (see website for T&Cs: www.epcotcs.com).
